

Dear All,

After a long gap caused by the pandemic, St. Xavier's College, XRCVC -Viviana extension is happy to announce a hands-on session at its Viviana centre, Thane. The theme is "Effective screen reader usage - making the transition to open source the process and possibilities (Optimizing NVDA 1 Day Workshop)". The Workshop is supported by SBI Foundation – Centre of Excellence (COE).

NVDA has come a long way in terms of its functionality, ease of access, and integration with pleasant user-friendly voices.

The one-day workshop would help the user transition toward using NVDA as their primary screen reader.

**Key themes would include various features such as**

- Installation
- Upgradation
- Understanding keystroke similarities with an existing screen reader
- Choice of synthesisers
- Languages
- cursors and many more

**Eligibility:** Participants should have good knowledge of Internet browsing, typing, and screen reader.

**Limited seats are available for the session.**

Those interested should kindly register by using the link appended below.
