

Dear Friends,

XRCVC is happy to announce a workshop on the theme "Find your way around Windows 10 with Screen Reader"

As you are aware, Microsoft launched Windows 10 in 2015, and this operating system is expected to rule over the computer world for the next few years.

The new aspects of this operating software with screen reader will be shown practically during this workshop.

Key themes would include features of narrator, look of the start menu, Windows Explorer and Cortana.

Registrations are available on a first-come-first-served basis.

**Note:**

- Session will not be repeated for late comers.
- All participants will bring their personal earphones/ Headphones.

**Date:** Saturday, June9, 2018

**Time:** 11.00 am to 3.00 pm.

**Venue:** XRCVC-Viviana Extension,

To register contact Mr Vikas Dabholkar
