Dear Friends,

The XRCVC - Viviana Extension, Thane is happy to announce an online workshop on the theme “Using Google Duo for web with NVDA”. This Workshop is supported by the Great Eastern CSR Foundation.

Google has offered many priceless applications to its users. One of them is Google duo. The duo is very simple to use. It allows users to communicate using high quality audio / video calls and can be used on tablets, smart phones and smart speakers / displays. Now a days it can be used with supported web browsers.

In the upcoming workshop we will learn to navigate on duo with help of NVDA for web browser.

**Eligibility:** participants should have good knowledge of screen reader, cursor movements, Key board and internet browsing.

**Limited seats are available for the session.**
