

Dear all,

XRCVC, St. Xavier's College is happy to announce a training workshop on "Understanding I-STEM Accessibility Solutions". This Workshop is supported by the SBI Foundation - Centre of Excellence (COE).

About App: I-STEM is a document and audio-video accessibility app for Android. Unlike other OCR applications, this one can recognise correct page formatings, such as tables, headings, multi-column layout, and math.

Along with document accessibility, it also extracts text from videos to make screen sharing during online classes easier to understand.

Resource Persons: Shakul Sonker, Poonam Deokar, Sushil Pandit.

Criteria: Persons with print disabilities such as blindness and low vision. The participant should be a screen reader user.

Date: 27th May 2022, (Friday).

Time: 02:00 pm to 04:00 pm.

Venue: XRCVC, St. Xavier's College, Fort, Mumbai

Materials: Android phone

Important Note:

1. Participants are requested to use their earphones/headphones during the session.
2. Follow Covid protocols while on campus.

Hurry Up! Limited seats are available.

Register yourself using the following link;

<https://forms.gle/7dQ85CVQCjKfXdG66>

As a token of appreciation, you will receive an e-certificate of participation.

Thank you!

XRCVC Team,

Xavier's Resource Centre for the Visually Challenged (XRCVC)
