School Teachers of Mumbai City Schools (Any Board: SSC/ICSE/CBSE/IB/IGCSE)

The school can depute up to two teachers for the workshop.

The workshop is open to all schools who have blind or low vision students on their rolls as also those who want to build inclusive setups.

In addition, other stakeholders such as parents of visually challenged students and special educators are also eligible to enroll.

WHAT?

Aim:

The training workshop will include an introduction to visual impairment, and an overview of how children with blindness and low vision can be part of inclusive schools.

The aim of the workshop is to ensure that participants have enough skill and confidence to begin the process of inclusive practice within their respective school settings.

Level of Workshop: Level 1 (Basic)

(This is the first level; it will equip you with basic skills to handle students with blindness and low vision in class as also share expertise with co-colleagues once back.)

Language / Medium: English

(NOTE: A similar training workshop will be planned for non-English speaking participants at a later date. Hence, participants interested in the next workshop may apply after the announcement for the same.)

Content:

The workshop will equip you with:

- Basic understanding on approaches to teaching blind and low vision students
- Basic level knowledge and skill in the use of assistive aids and equipment (technology and non-technology)
- Knowledge and hands-on learning of various methods and techniques that can be employed in an inclusive classroom
- Awareness on other important tips and strategies

Methodology:

Simulations, Group Discussions, Presentations, Lesson Plan workshops will together be used to deliver the content.
