

Dear All,

St. Xavier's College, XRCVC-Viviana extension is happy to announce an online workshop on the theme "**Understanding PDF Accessibility with Screen Readers**" under its Tech Roshni series – A step at bridging the digital divide for blind and low vision persons.

Did you know that PDFs are widely used across education and workplaces? In fact, most users prefer sharing documents in PDF format.

However, as a screen reader user, do you face the following challenges?

1. Do you get confused when a PDF file is not read by your screen reader?
2. Does your screen reader behaves inappropriately while accessing the PDF file?
3. Do you struggle to read any PDF File unlike Word File or other format in computer with screen reader?

To find out the answers to these questions, one has to understand the PDF Accessibility. To throw some light on this, XRCVC is going to conduct the Tech Roshni Awareness workshop on Saturday, September 13, 2025 at 4:30 PM India.

PDF documents can be made accessible and accessed by the Screen Readers without any issue. How that we will explain you in this one-hour workshop. If you want to be a part of this informative and interactive workshop, kindly register yourself using the Google Form link mentioned below on/before Friday, September 12, 2025 by 10:00 AM IST.
