Dear All,
XRCVC - Lake Shore (formerly Viviana) Extension is delighted to announce an offline training programme on the theme “Use of E-Speak Marathi with NVDA.”

- Even you know Marathi language, and are you afraid to write with computer in Marathi?
- Is it a challenge to speedily write in Marathi at your workplace, school, or college.

To overcome these challenges, join us for an immersive, one-day, in-person training session designed to empower you with comprehensive knowledge of Marathi typing with NVDA.

The training will cover reading and comprehension of Marathi text using NVDA E-Speak, introduction to the Marathi keyboard layout, typing practice for words and sentences, and practical usage techniques.

The workshop is designed to help visually impaired persons who must work with Marathi in the workplace. It will also aid any other person keen to learn Marathi typing using E-speak.

Spaces are limited—secure your place today and take the next step towards digital independence with expert guidance!
