

Dear All,

St. Xavier's College, XRCVC-Viviana extension is happy to announce an online workshop on the theme **"Using TAN App on Smartphone"** under its Tech Roshni series – A step at bridging the digital divide for blind and low vision persons.

- Do you face accessibility hurdles while ordering food or grocery items online?
- Are you in search of fully accessible app for ordering food and grocery items?

Now your search is over! Yes, you heard it right.

The TAN (The Accessible Nation) App is an accessible food and grocery ordering app integrated with ONDC (Open Network for Digital Commerce) in India. This app prioritizes accessibility, especially for blind and low-vision users, The key features include like screen-reader friendly UI with custom font sizes, colour themes, and light/dark mode.

To explore more on this app with mobile screen readers, XRCVC has organized the Tech Roshni awareness workshop on **"The TAN App"** on Saturday, August 30, 2025 at 4:30 PM IST.

Interested participants should register for this amazing workshop using the below link on/before Thursday, August 28, 2025 by 12:00 PM IST.

<https://forms.gle/9weQpsJzD8ZhZi6Q7>

The registered participants will receive the joining link on Friday, August 29, 2025.

Hurry up and reserve your spot for this workshop.

Resource persons: Sunil Choudhary Co-founder of "The TAN App" & Team and Keshavan Nadar

Criteria: Participant should be a person with print disability.

Best Regards
