

Dear All,

St. Xavier's College, XRCVC -Viviana extension is happy to announce an online workshop on the theme **"Using Google Forms with NVDA Part-1"** under its Tech Roshni series – A step at bridging the digital divide for blind and low vision persons.

Google Forms is popular in education, homes, and the corporate world for surveys and data tracking. Visually impaired individuals are comfortable using it on mobile devices but often face challenges on computers, especially since some features have been relocated and are less visible.

This workshop offers practical experience how to efficiently handle recent interface changes with the NVDA screen reader

**Eligibility:** participants should have good knowledge of Internet browsing, Fundamentals of Google drive.

Limited seats are available for the session.

Those interested should kindly register by using the link appended below.
