Dear All,

St. Xavier's College, XRCVC -Viviana extension is happy to announce an online workshop on the theme **"Using OneDrive with NVDA"** under its Tech Roshni series – A step at bridging the digital divide for blind and low vision persons.

Microsoft offers a range of free tools, including OneDrive, a robust cloud storage platform that enables users to store, synchronize, and share data across multiple devices. Whether you are creating files, editing them with the Office suite, or saving important documents, OneDrive provides a seamless experience.

Microsoft products are extensively used in corporate environments, educational institutions, and homes worldwide. If you are new to OneDrive or looking to enhance your skills using it with a screen reader, this workshop is perfect for you. Join us as we explore OneDrive with popular screen reader NVDA and unlock its potential.
