Dear All,

St. Xavier's College, XRCVC-Viviana extension is happy to announce an online workshop on the theme **"Using Online Accessible Libraries with NVDA"** under its Tech Roshni series – A step at bridging the digital divide for blind and low vision persons.

- Are you a student or working professional whose growth has been stagnant due to your print disability?
- You like to read novels, magazines, or newspaper in your spare time to refresh your mind but most of the reading materials are available in printed text and hence, you are not able to follow your reading hobby?
- Do you know there are online accessible libraries can help you in overcome the print disability hurdle?

Yes. With the help of these online libraries the blind or print disabled can read the reading materials in various E-formats which are supported by the screen readers.

Do you want to get educated on these online accessible libraries then don't miss the chance! Hurry up and reserve your spot for the upcoming Tech Roshni awareness workshop on **Saturday, July 12, 2025 at 4:30 PM India** by registering yourself using the below Google Form link on/before Thursday, July 10, 2025 11:59 PM.

In this one-hour workshop we will explore these Online Libraries and learn how to use this service effectively using the NVDA screen reader.

The registered participants will receive the joining link by Friday, July 11, 2025. The Registration link is as below:
