Dear Friends

St. Xavier's College, XRCVC -Viviana extension is happy to announce an online workshop on the theme "AI Cafe" under its Tech Roshni series – A step at bridging the digital divide for blind and low vision persons.

- **What do you think AI is?**
- **Have you ever wondered what AI can do for us?**
- **What AI app is appropriate for my task?**

Well, if you want to know answers to these and related questions why don't you join us for an hour-long Tech Roshni event called "AI Café" Of course, it will not answer all the questions but will create an urge amongst us to explore and use AI apps.

It will also inform us about the accessibility of different apps. The apps we intend to cover are ChatGPT, Google Gemini, Grock and Claud.

Join us for this warm AI Café on Saturday 14th June 2025 between 4.30 pm and 5.30 pm. If you are keen then please register on the following link https://forms.gle/BHuCuQ6k8746mNWW7.

- **The last date for registration will be Thursday 12th June, 2025, 11.59 pm.**
- **Registered people will be mailed the joining link on the 13th. Look forward to meeting you there.**

Resource person: Ketan Kothari

Criteria: Persons with print disabilities such as blind and low vision.

Thanks,

Team XRCVC,
