

Dear All,

St. Xavier's College, XRCVC-Lake Shore Extension is happy to announce an online workshop on the theme "**Exploring Instagram with Screen Reader**" under its Tech Roshni series – A step at bridging the digital divide for blind and low vision persons.

- Do you want to create and use an Instagram account but face challenges due to visual impairment?
- Do you know what Instagram is?
- Are you eager to explore it but unsure how to get started?

This session is designed to help you overcome those barriers. Instagram, a free social media platform by Meta, enables users to share photos, videos, and stories, connect with friends, and discover content from creators worldwide. In this one-hour workshop, we will explore Instagram's features and evaluate its accessibility with screen readers.

Interested individuals should register for this workshop on or before Thursday, 16 Apr 2026 by 6:00 PM IST using the appended link below.
