

Dear All,

St. Xavier's College, XRCVC-Lake Shore Extension, is happy to announce an online workshop on **"Tour of Windows 11 with Screen Reader"** under its **Tech Roshni series – A step at bridging the digital divide for blind and low vision persons.**

The Windows Operating System by Microsoft is widely used by students, professionals, and home users around the world and has become an essential part of everyday computing.

**Do you know?**

- Windows 11 is now the default OS on new computers; it has ended support for Windows 10 in October 2025.
- How accessible is Windows 11 for totally blind users with a screen reader?
- Is it easy to switch from Windows 10 to Windows 11?
- How can you configure important Windows 11 settings using a screen reader?

If you have similar questions, get ready to explore **Windows 11 with screen reader** in our upcoming Tech Roshni online workshop.

**Date & Time:** Saturday, September 19, 2026, at 4:30 PM IST

**Venue:** Online (Zoom conferencing platform)

**Resource Persons:** Keshavan Nadar and Vikas Dabholkar

**Criteria:** Persons with print disabilities such as blindness and low vision. Participants should be screen reader users.

Hurry up and reserve your spot for this informative workshop!

**Register on or before Thursday, September 17, 2026, at 5 PM IST** using the link below:
