

Dear All,

St. Xavier's College, XRCVC-Lake Shore Extension is happy to announce an online workshop on the theme "**Using Facebook with NVDA**" under its Tech Roshni series – A step at bridging the digital divide for blind and low vision persons.

- Do you want to use a Facebook account but face challenges due to visual impairment?
- Do you know how Facebook works?
- Are you eager to explore it but unsure how to get started?

This session is designed to help you overcome those barriers. Facebook, a free social media platform by Meta, enables users to connect with friends, share updates, join communities, and discover content worldwide. In this one-hour workshop, we will explore Facebook's features and evaluate its accessibility with NVDA, a free and open-source screen reader.

Interested individuals should register for this workshop on or before **Thursday, 30 Apr 2026 by 6:00 PM IST** using the appended link below.
