

Dear Friends,

XRCVC, St. Xavier's College - Lake Shore Extension is pleased to announce a 1-Day Hybrid Mode Training in topic **“Enhancing Zoom skills with NVDA”**.

NVDA is a powerful screen reader, and when paired with Zoom, it enables seamless participation in online meetings. This training will focus on enhancing accessibility and productivity by demonstrating how NVDA interacts with Zoom features such as navigation, chat, participant management, and screen sharing. Participants will learn practical techniques to make Zoom usage smoother and more empowering with NVDA.

In this one-day training session, participants will learn how to set up, navigate, and effectively use Zoom with NVDA, ensuring flexibility and confidence in virtual communication.

Eligibility: participants should have good knowledge of typing, screen reader.

Limited seats are available for the session. Those interested should kindly register by using the link appended below.
