

Dear All,

St. Xavier's College, XRCVC-Lake Shore Extension is happy to announce an online workshop on the theme **"Exploring Ally App"** under its Tech Roshni series – A step at bridging the digital divide for blind and low vision persons.

- Do you frequently rely on others to understand your nearby environment?
- Are you seeking assistance to read textual print materials?
- Are you feeling challenges in identifying the object?

Imagine having a dedicated companion to support your needs related to visual impairment. With advancements in technology, an AI Assistant can serve as your reliable ally.

The Xavier's Resource Centre for the Visually Challenged (XRCVC) is pleased to announce an awareness workshop on the Ally Application developed by Envision AI.

Ally is an innovative AI Assistant designed to provide immediate, intelligent support for individuals who are blind or have low vision. This application offers a range of features including text reading, object identification, answering questions, and more, ensuring assistance is always readily available.

During this one-hour workshop, participants will gain insight into Ally's accessibility features and receive guidance on utilizing the application effectively. Interested individuals are invited to register for the workshop using the link provided below. Please note that registration must be completed on or before Thursday, October 23, 2025, by 11:59 PM IST.

Registration Link: <https://forms.gle/Y911LfjRMqTscqVy7>

Workshop Date and Time: Saturday, October 25, 2025 – 4:30 PM IST

Resource Persons: Kartik Mahadevan (CEO - Envision AI) and Keshavan Nadar (Lead Consultant Assistive Technology - XRCVC)

Eligibility Criteria: Participants must have a print disability.

Venue: Online Zoom Conference Call

The registered participants will receive the joining link on Friday, October 24, 2025. Hurry up and reserve your spot for this informative and interesting workshop!

Thanks,

Team XRCVC,
