

Dear Friends,

St. Xavier's College, XRCVC - Lake Shore Extension is pleased to announce a **One-Day Offline Training on Google Drive with JAWS**".

The rapid digitization of content worldwide has introduced new challenges in accessing, storing, and sharing information. Large file sizes, in particular, often exceed email transmission limits, creating barriers for many users. These challenges are especially pronounced for visually impaired individuals, who frequently work with substantial files.

To address this need, Google provides Google Drive, a cloud-based platform that enables users to securely store, access, edit, and share important files. With the support of screen reader technology, visually impaired users can effectively navigate and utilize Google Drive's features.

This training session is designed to equip participants with the skills to access Google Drive using JAWS. Attendees will learn how to upload, share, and manage files within the platform, ensuring greater independence and efficiency in handling digital content.

Eligibility: participants should have good knowledge of Internet browsing, Fundamentals of G-mail, typing, screen reader.

Limited seats are available for the session.

Those interested should kindly register by using the link appended below.

<https://forms.gle/tNj7JwBPYpxT1tsi9>

Resource Person: Tejas Karanje

Criteria: Persons with print disabilities such as blind and low vision. Participant should be a screen reader user

Date: 27 Jun 2026, (Saturday)
