

Dear All,

St. Xavier's College, XRCVC -Viviana extension is happy to announce an online workshop on the theme "**Using Swiggy App with Talkback**" under its Tech Roshni series – A step at bridging the digital divide for blind and low vision persons.

- You are tempted to have Burger/Pizza at home but don't know how to use the food ordering app?
- You are really in need to order food from outside but the food ordering app is not behaving appropriately with the Screen Reader?
- Is disability making you impatient when you order food?

Your patience will get over! Yes. XRCVC is going to conduct the Tech Roshni awareness workshop on using the Swiggy app with Talkback on Saturday, September 27, 2025 at 4:30 PM IST.

Navigating food delivery apps can be challenging for users with visual impairments. This one-hour awareness session is designed to empower participants with the skills and confidence to use **Swiggy**, one of India's leading food delivery platforms, effectively with **TalkBack**.

In this workshop you will learn:

- Step-by-step guidance on browsing restaurants and menus using TalkBack
- Placing orders and tracking deliveries with voice feedback
- Accessibility tips for smoother navigation
- Common challenges and practical solutions

This workshop promotes digital inclusion by helping users independently access essential services like food delivery. Whether you're a beginner or looking to refine your skills, this session offers practical insights and live demonstrations.

If you want to be a part of this energetic workshop, hurry up and reserve your spot! Interested participants should register using the below google form link on/before Thursday, September 25, 2025 by 12:00 PM IST.

<https://forms.gle/ikX7d1eQjkaLrHmj9>

The registered participants will receive the joining link on Friday, September 26, 2025.

Resource person: Tejas Karanje, Keshavan Nadar.

Criteria: Participant should be a talkback user. Participant should be a person with Print Disability.

Thanks,

Team XRCVC,
