

Dear All,

St. Xavier's College, XRCVC-Lake Shore extension is happy to announce an online workshop on the theme "**Exploring Online Radio App with TalkBack**" under its Tech Roshni series – A step at bridging the digital divide for blind and low vision persons.

- Are you passionate about listening to music, news, and radio updates?
- Do you find it inconvenient to carry a physical radio device?

With the advent of online radio applications, you can now transform your smartphone into a portable radio, allowing you to enjoy your favourite content anytime and anywhere with ease.

XRCVC is pleased to announce a one-hour workshop dedicated to exploring an accessible online radio application integrated with Talkback. This session aims to empower participants to conveniently access radio services through their mobile devices.

Interested individuals are requested to register for the workshop on or before Thursday, 26 March 2026, by 6:00 PM IST, using the registration link provided below.
