

Dear All,

St. Xavier's College, XRCVC - Lake Shore Extension is happy to announce an online workshop on the theme **"An Introduction to Basics of JAWS Scripting"** under its Tech Roshni series – A step at bridging the digital divide for blind and low vision persons.

XRCVC is pleased to conduct the Tech Roshni awareness workshop on **"An Introduction to Basics of JAWS Scripting."**

JAWS (Job Access With Speech) is one of the world's most widely used screen readers, enabling blind and low vision users to access digital content. Through scripting, users can extend JAWS functionality, customize commands, and improve accessibility across applications. In this one-hour workshop, we will introduce the basics of An Introduction to Basics of JAWS Scripting, demonstrate practical examples, and help participants understand how scripting can empower them to navigate digital environments more effectively.

Interested individuals should register for the workshop on or before **Thursday, 28 May 2026 by 6:00 PM IST** using the link appended below.

<https://forms.gle/kk5cWK2yoU3Qpp5y8>

Workshop date and time: Saturday, 30 May 2026 – 4:30 PM India

Resource persons: Tejas Karanje and Vikas Dabholkar

Eligibility criteria: The participant should be a person with Blindness and Low-vision

Please note that registered participants will receive the joining link on **Friday, 29 May 2026**. Hurry up and reserve your spot for this informative workshop and make your digital access more inclusive and powerful!

Thanks,

Team XRCVC,
