

Dear All,

St. Xavier's College, XRCVC-Lake Shore extension is happy to announce an online workshop on the theme "**Using Online Accessible Libraries with NVDA**" under its Tech Roshni series – A step at bridging the digital divide for blind and low vision persons.

- Are you struggling to get accessible resource material for your Academic or Professional projects?
- Do you enjoy reading novels, magazines, or newspapers to refresh your mind, but find it difficult to pursue this hobby because most materials are available only in print?

Accessible online libraries can help overcome these barriers. These platforms provide reading materials in multiple electronic formats compatible with screen readers, enabling individuals who are blind or print-disabled to enjoy a wide range of content. Join us for the **Tech Roshni Awareness Workshop** to learn more about these resources. In this one-hour session, we will explore online accessible libraries and demonstrate how to use them effectively with the NVDA screen reader.

Interested individual can register for the workshop on or before 2 July 2026 by 6:00 PM IST using the link appended below.

<https://forms.gle/H2bxSWeLpARX3B8N8>

**Workshop date and time:** Saturday, 4 July 2026 – 4:30 PM

**Resource persons:** Keshavan Nadar and Tejas Karanje

**Eligibility:** Persons with print disabilities such as blindness or low vision. Participants should be proficient in using a screen reader.

Please note the registered participants will receive the joining link on Friday, 3 July 2026. Don't miss this opportunity to empower your reading journey with accessible Online Libraries. Reserve your spot today for this informative workshop!

**Thanks,**

Team XRCVC,
