

Dear Friends

St. Xavier's College, XRCVC -Viviana extension is happy to announce an online workshop on the theme "**LibreOffice Calc**" under its Tech Roshni series – A step at bridging the digital divide for blind and low vision persons. This Workshop is supported by the Dhun Pestonji Parakh Discretionary Trust.

Are you worried about Office applications not working or not having a genuine copy?

There is a solution for your concerns—LibreOffice, an open-source program.

LibreOffice Calc is part of the LibreOffice suite, It offers similar to Microsoft Excel, allowing users to organize, analyze, and store data in tabular form with its user-friendly interface, help boosting the productivity.

In this workshop we will explore the basic concepts of Calc and its accessibility with the NVDA screen reader.

Limited seats are available for the session.
