Dear All,

St. Xavier's College, XRCVC-Lake Shore Extension is happy to announce a unique online workshop on the theme **"MathKicker AI with Screen Reader"**, under its Tech Roshni initiative – a step toward bridging the digital divide for blind and low vision persons.

- Are you facing challenges to read hardcopy math textbook
- Do you know there are tools are available to convert math content

Here's the solution for your problem!

Visually impaired person faces problems when come across text and math expressions in non-accessible formats such as jpeg, image or PDF etc. To overcome this difficulty technology has helped with online web-based solutions to transform documents into an accessible format.

In the upcoming workshop, we will explore one such service with hands-on experience.

So, hurry up and reserve your spot! See you there! register on or before **Thursday, 3rd December 2026 by 6 PM** using the registration form link appended below.

https://forms.gle/GDp1nCL44HeSh1Qo9

Workshop Date and Time: Saturday, 5 December 2026 at 4:30 PM (IST)

Resource persons: Evita Rodrigues and Keshavan Nadar

Criteria: Participant should be a person with Blindness or Low Vision

Please note, registered participants will receive the joining link by **Friday, 4 December 2026 (end of the day)**. Hurry up and reserve your spot for this informative workshop!

Thanks,
