

Dear Friends,

St. Xavier's College, XRCVC – Lake Shore Extension is pleased to announce a one-day offline training program on **“UPI Features with TalkBack.”**

XRCVC is happy to conduct this training to help participants better understand new feature and use digital payment systems independently. India's revolutionary technology, UPI (Unified Payments Interface), developed by National Payments Corporation of India (NPCI), has significantly enhanced financial and independence for individuals.

The BHIM app developed and operated by NPCI which offers several key features, including UPI Lite, QR code payments, mobile recharges, bill payments, and more. It also supports AutoPay for recurring payments and allows users to link multiple bank accounts seamlessly.

In this training workshop, participants will explore the latest UPI features and gain hands-on experience with an UPI app using TalkBack.

**Eligibility:**

Participants should have a good understanding of internet browsing, mobile typing, and the TalkBack screen reader.

Seats are limited. Interested participants are requested to register using the link provided below.
