

Dear All,

St. Xavier's College, XRCVC - Lake Shore Extension is happy to announce an online workshop on the theme "**Using Metropolis Healthcare App with TalkBack**" under its Tech Roshni series – A step at bridging the digital divide for blind and low vision persons.

- Are you finding it difficult to book lab tests or health checkups independently?
- Is your blindness creating a barrier in accessing healthcare services digitally?
- Do you want to explore the easy solution to get rid of the accessibility problem?

XRCVC is pleased to conduct the Tech Roshni awareness workshop on "Using Metropolis Healthcare App with TalkBack."

Metropolis Healthcare is one of India's leading diagnostic service providers, offering a wide range of pathology tests and health packages. Through its mobile app, users can conveniently book tests, access reports, and manage their health records. In this one-hour workshop, we will explore the accessibility features of the app using TalkBack and understand how blind and low vision users can navigate it effectively.

Interested individuals should register for the workshop on or before Thursday, 7 May 2026 by 6:00 PM IST using the link appended below.

<https://forms.gle/E75EWezRWaHJrvr79>

Workshop date and time: Saturday, 9 May 2026 - 4:30 PM India

Resource person: Tejas Karanje and Keshavan Nadar

Eligibility criteria: The participant should be a person with Blindness and Low-vision

Please note that registered participants will receive the joining link on Friday, 8 May 2026. Hurry up and reserve your spot for this informative workshop and make your healthcare access more inclusive and convenient!

Disclaimer: The XRCVC, St. Xavier's College, Mumbai neither endorses nor totally subscribes to claims about the any specific app or service. This workshop is part of an awareness program intended to introduce participants to health-related mobile applications and their accessibility etc. It is not a substitute for professional medical advice or guidance.

Thanks,

Team XRCVC,
