

Dear All,

St. Xavier's College, XRCVC-Lake Shore extension is happy to announce an online workshop on the theme **"Exploring Microsoft Teams with Screen Reader"** under its Tech Roshni series – A step at bridging the digital divide for blind and low vision persons.

- Are you a newcomer to Microsoft Teams Software and finding it challenging to use the platform efficiently with a screen reader?
- Is your organisation leveraging Microsoft 365, and you facing challenging navigating in online conference meeting in Microsoft Teams?

If basic navigation within Microsoft Teams using a screen reader is proving to be difficult, we invite you to participate in our upcoming XRCVC Tech Roshni Workshop".

Microsoft Teams, an integral part of the Microsoft Office 365 suite, enables seamless collaboration through features such as meeting scheduling, chat, and calling facilities. This one-hour workshop is designed to help participants explore the accessibility features of Teams, with a special focus on optimising usage with a screen reader.
