

Dear All,

St. Xavier's College, XRCVC - Lake Shore Extension is happy to announce an online workshop on the theme "Using WhatsApp on PC with NVDA" under its Tech Roshni series – A step at bridging the digital divide for blind and low vision persons.

- Do you often find it difficult to manage WhatsApp messages on your phone?
- Did you know that WhatsApp can be accessed directly on your computer for easier communication?
- Would you like to learn practical techniques to use WhatsApp on PC more efficiently with Screen Reader?

WhatsApp is one of the most widely used messaging platforms, and learning to use it effectively on a PC can make communication smoother, faster, and more inclusive. This workshop will provide participants with a practical understanding of how to use WhatsApp on PC, demonstrations of key features, and guidance on making everyday communication tasks more accessible.

Interested participants should register on or before Thursday, 3 September 2026 by 3:59 PM using the registration form link appended below.
