Dear All,

St. Xavier's College, XRCVC is happy to announce a Training on the theme of Low Vision Aids with Windows 10". This Training is supported by the SBI Foundation - Centre of Excellence (COE).

There are a large number of persons with low vision in the world. In the low vision category, some have colour blindness, short sight, tunnel vision, etc. While working with the computer, they face difficulty in performing the regular task.

This training will help such persons to learn through hands-on experience how to use windows 10 low vision features and tools optimally.

Eligibility & Criteria:

1. Participants should have good knowledge of computer.
2. Persons with print disabilities such as low vision.

Hurry up; limited seats are available for the session.

Those interested should kindly register by using the link appended below.
